# Ipotesi future

**P**er gli adolescenti vestirsi non è uno 'status symbol' o 'apparire', ma fantasia ed 'essere'. La moda, i colori, il costume sono nostalgia del futuro per giovani con poco passato. Nei nuovi hippies la voglia di contraddizione passa per simboli musicali e per moda. La voglia di un mondo vicino senza viaggi, di ballare senza musica.

Elena, la ragazza fotografata in questo servizio, ha tredici anni e poche domande da fare. Lavora sorridendo mentre nella sua aria di acerba replicante con anima, cerchiamo lo sguardo e la sensualità di una donna che sarà.

A sinistra, pantaloni leopardo The Taylors Brothers, top Nikos, mini cardigan in pizzo Callaghan, collana e bracciale Eric Beamon Trasgressioni. In basso, tuta da bagno in lycra Liza Bruce, giacca in gomma Trasgressioni
